

**Council on Postsecondary Education
Committee on Equal Opportunities
March 25, 2013**

**Madisonville Community College
Implementation of Recommendations**

Representatives from the Kentucky Community and Technical College Central Office and President of Madisonville Community College, Dr. Judith Rhoads, presented information in support of a waiver request at the November 1, 2012, Committee on Equal Opportunities meeting.

The CEO agreed to grant a waiver to MCC on the condition that a report regarding the implementation of the recommendations would be presented at the March 2013 CEO meeting. The report is expected to identify strategies used by the institution to implement each recommendation and include a discussion regarding their level of success, how success will be evaluated, and the institution's intent to extend strategies beyond simply meeting the minimum requirements in future years.

Status reports are intended to assist the CEO in addressing its responsibility to monitor institutional progress in implementing The Kentucky Public Postsecondary Education Diversity Policy and Framework for Institution Diversity Plan Development.

President Judith Rhoads, Madisonville Community College administrators, and KCTCS central office administrators will present the update. Handouts will be distributed at the meeting.
